## YOUR CONTRIBUTION CAN CHANGE HIS LIFE!!

Following the doctor's suggestion, we brought our baby boy, **Faran**, to **Jeevan Jyoti Hospital**. After several expensive tests, it was confirmed that he is suffering from **Spina Bifida with Myelomeningocele**. He urgently needs supporting treatment costing **₹6,00,000 (Six Lakh Rupees)**. Today, our little one faces the risk of losing his life to this condition, and as parents, we feel completely helpless.

HE HAS TO UNDERGO THIS TREATMENT

We come from a very humble background and cannot afford such a huge amount on our meager income. We have already sold the little jewelry we had, and now we are left with nothing. As helpless parents, we are making this **last heartfelt appeal** to you. Only your kindness and generosity can save our child's life. Please help us in this desperate time your support means everything to us and to our baby.
